You are required to send 250.00 ETH within 24 hours of your acceptance of the trade. To expedite the settlement process, please reply with a blockchain transaction ID after sending

the cryptocurrency to Cumberland. Lack of a TxID delays settlement. Once we receive the cryptocurrency, we will deliver our side of the trade to you.

If we do not have your wire instructions, please complete (and return) the attached counterparty banking template as soon as possible. In order to prevent wire delays, please ensure to complete the entire template by populating every field with the required information. Note that both the 'Bank Address' and 'Account Holder Address' information must be provided, and neither address may be a PO BOX.

Thank you for your cooperation.

SETTLEMENT INSTRUCTIONS:

- Any wire/coin received after 2:00 PM Central Standard Time (CST) will be settled on the following day.
- All wires must settle in full AND the originating account must match the name exactly as provided when onboarded.
- Cumberland will not accept 3rd party wires and will promptly return funds to the originating bank.
